The Horse Palace by Sierra Log Homes is a 4,000 sq ft custom log barn designed for serious horse lovers. With 9 spacious stalls, a tack room, wash bay, utility area, and a full bathroom, it brings unmatched comfort and function to ranch life. A 1,500 sq ft loft provides flexible storage or future living space, while a 3,900 sq ft wraparound covered porch offers a shaded horse lounge and all-weather protection. Nine additional covered bays extend utility and shelter. Built with durable, high-quality logs and customizable to fit your needs, the Horse Palace blends rustic beauty with practical design. It's the ultimate upgrade for any dedicated equestrian estate.
