ABOUT THIS PLAN

The River Retreat by Sierra Log & Timber is a warm and inviting 1,878 sq ft log home that feels both spacious and intimate, with a layout that encourages gathering and quiet moments alike. Ideal for couples or small families dreaming of a full-time mountain lifestyle, it features a generous great room at its heart, where tall windows and timber beams set the tone for relaxed living. The kitchen is open and practical, ready for everyday meals or weekend feasts. Two bedrooms and two and a half baths offer comfort and privacy, with the primary suite tucked conveniently on the main floor. Upstairs, a 666 sq ft loft gives you room to grow—a second bedroom, a home office, or a cozy reading nook, whatever suits your plans.
