The Summit by Sierra Log & Timber is a generous 4,235 sq ft log home with a welcoming spirit and room to grow. Ideal for families who want space to gather and spread out, it features a 1,700 sq ft main level with a wide-open great room, a kitchen ready for big meals, and a comfortable primary bedroom. Two more bedrooms offer privacy for kids or guests, while the 1,003 sq ft loft above is perfect for a home office, studio, or extra sleeping space. Downstairs, the 1,532 sq ft basement gives you plenty of options for a workshop, rec room, or future expansion. Whether as a year-round family retreat, a mountain homestead, or a place to host generations, the Summit is built for lasting memories and can be tailored to fit your vision.
