ABOUT THIS PLAN

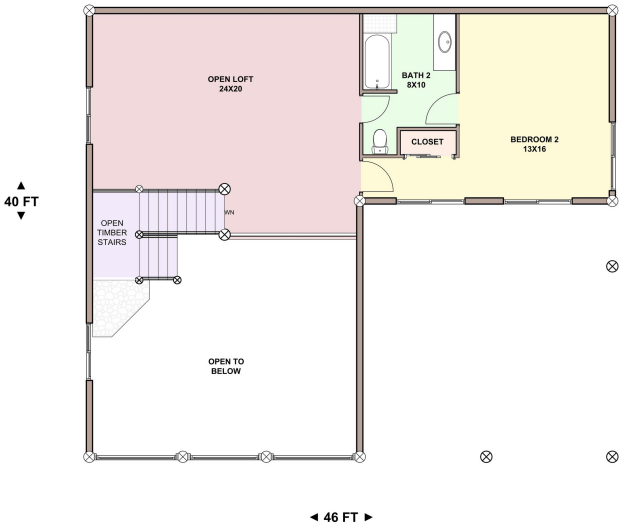

The Rimcrest 2 by Sierra Log & Timber is a warm and inviting 2,135 sq ft log home that feels both spacious and personal. Ideal for couples or small families dreaming of full-time mountain living, it features a generous 1,325 sq ft main level with an open great room for gathering around the fire, a practical kitchen for everyday meals, and a comfortable primary bedroom with its own bath. Upstairs, the 810 sq ft loft offers flexible space for a second bedroom, home office, or creative studio, along with an additional bathroom for convenience. Whether as a year-round residence, a peaceful retreat, or a base for outdoor adventures, the Rimcrest 2 brings handcrafted character and room to grow. Customization is always possible, so your vision can take shape in every detail.
