The Snow Peak by Sierra Log & Timber is a generous 3,390 sq ft log home with a grounded, welcoming spirit and room for real living. Ideal for growing families or anyone wanting space to gather and spread out, it offers a single-story layout with three bedrooms and three and a half baths, so everyone has their own corner to retreat to. The heart of the home is a wide-open great room, perfect for fireside evenings or big holiday meals, with a kitchen that invites slow breakfasts and late-night snacks alike. The primary bedroom is set apart for privacy, while two additional bedrooms make hosting friends or grandkids easy. Downstairs, a 1,024 sq ft basement gives you room to dream-think workshop, rec room, or extra storage for all the gear that comes with mountain living. Whether as a year-round family home, a gathering place for generations, or a peaceful retreat, the Snow Peak is ready to be shaped to your story.
