The Sonora Heights by Sierra Log & Timber is a grand 4,669 sq ft log home with a warm, inviting spirit and room to grow. Ideal for families who want space to gather and spread out, it features a generous main level of 1,792 sq ft with a welcoming great room, a kitchen ready for shared meals, and a comfortable primary bedroom suite. Two additional bedrooms offer privacy for kids or guests, while the 1,085 sq ft loft above is a flexible spot for a home office, studio, or extra sleeping area. Downstairs, the 1,792 sq ft basement opens up possibilities for a rec room, workshop, or future expansion. Whether as a year-round family retreat, a mountain homestead, or a gathering place for generations, Sonora Heights is crafted for those who value lasting quality and the freedom to make it their own.
