ABOUT THIS PLAN

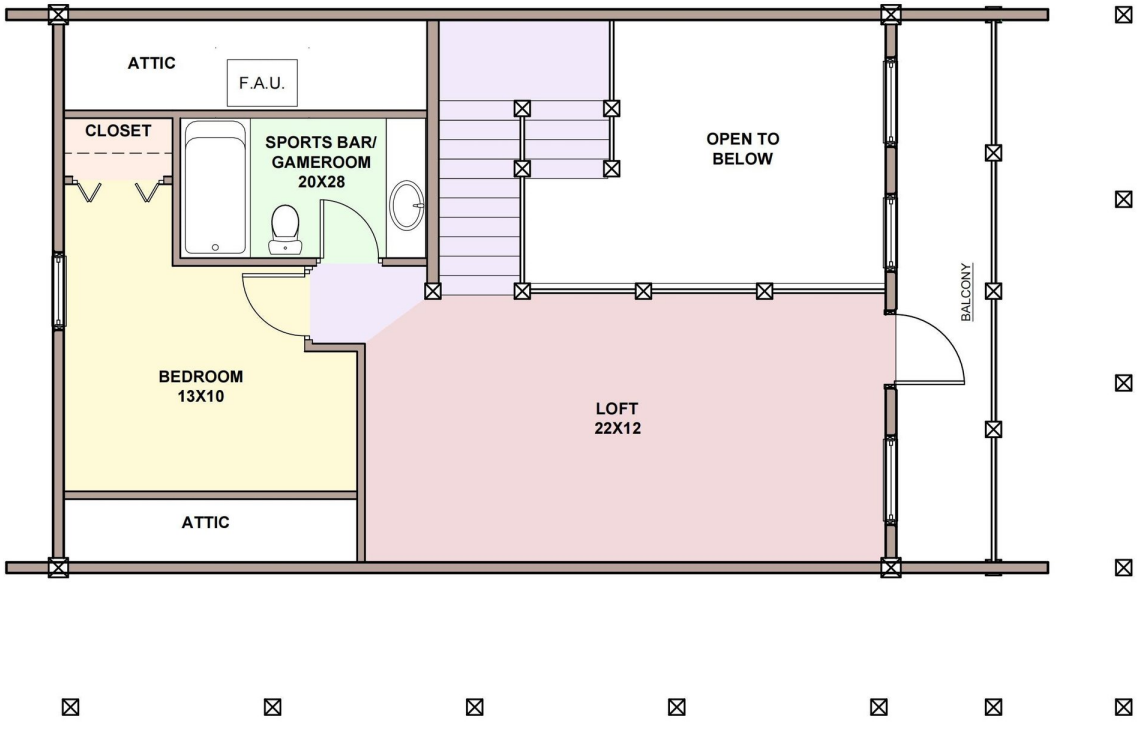

The Cedar Meadow by Sierra Log & Timber is a warm and inviting 2,330 sq ft log home that feels both spacious and grounded, with room for family life to unfold across three stories. Ideal for growing families or those who love to host, it offers three bedrooms and three full baths, so everyone has their own space. The main floor's 864 sq ft centers around a welcoming great room and a kitchen ready for shared meals and quiet mornings. Upstairs, the 602 sq ft loft is flexible—set it up as a guest room, a home office, or a cozy reading nook. Downstairs, the 864 sq ft basement opens up possibilities for a workshop, rec room, or future expansion as your needs change. Whether as a year-round residence, a mountain retreat, or a gathering place for generations, the Cedar Meadow is crafted for comfort and ready to be tailored to your vision.
