ABOUT THIS PLAN

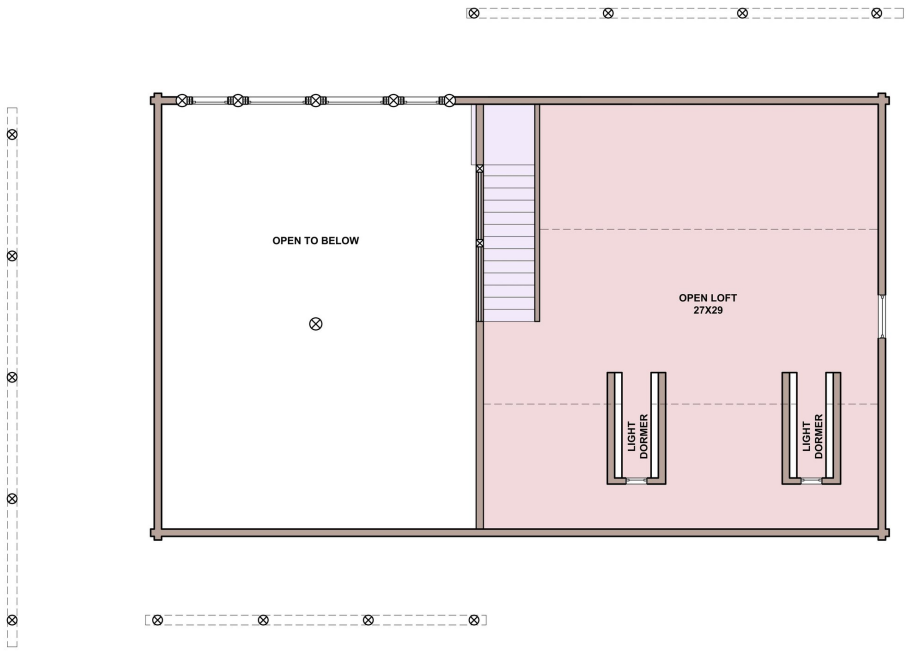

The Skyline 2 by Sierra Log & Timber is a welcoming 1,920 sq ft log home with a warm, open feel and room for family to gather. Ideal for growing families or those wanting space for guests, it features a single-level layout with three bedrooms and two and a half baths. The heart of the home is a spacious great room that flows into a practical kitchen, making it easy to cook and connect. The primary bedroom offers privacy and comfort, while two additional bedrooms provide flexibility for kids, visitors, or a home office. Upstairs, a 420 sq ft loft invites you to create a cozy reading nook, studio, or extra sleeping space. Whether as a year-round residence, mountain retreat, or multi-generational getaway, the Skyline 2 brings together classic log craftsmanship and the freedom to tailor details to your vision.
