ABOUT THIS PLAN

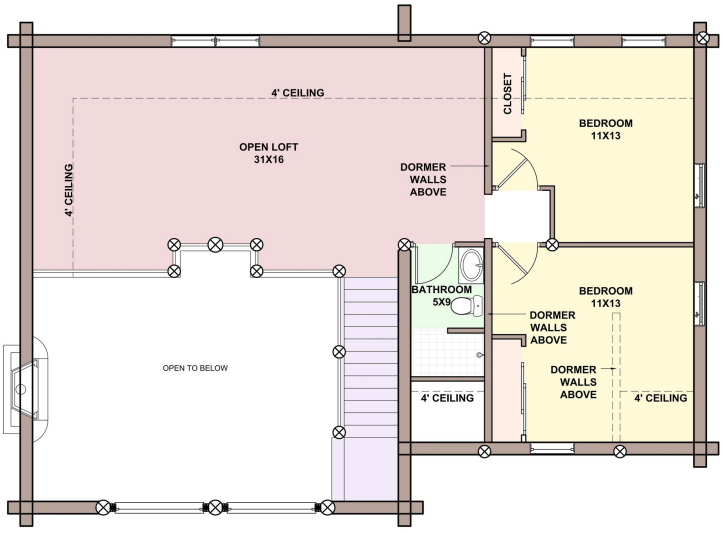

The Rio Bravo by Sierra Log & Timber is a warm and inviting 2,294 sq ft log home that feels both spacious and grounded in tradition. Ideal for couples or small families dreaming of full-time mountain living, it welcomes you with a generous great room that's perfect for gathering around the fire or sharing meals from the open kitchen. The main floor's primary bedroom offers comfort and privacy, while a second bedroom gives guests or family their own retreat. Upstairs, the 902 sq ft loft is a flexible space—use it as a second bedroom, a quiet reading nook, or a creative studio with room to spare. Whether as a year-round residence, a peaceful retirement spot, or a family getaway, the Rio Bravo brings handcrafted character and room to grow. Customization is always possible, so your vision can take shape in every detail.
