The Timber Palace by Sierra Log & Timber is a grand 2,468 sq ft log home with a warm, inviting spirit and room to breathe. Ideal for couples or small families who want space to stretch out, it features a generous main floor with 1,399 sq ft for daily living, including a welcoming great room, a practical kitchen, and a comfortable primary bedroom. Upstairs, the 1,069 sq ft loft offers flexible space for a second bedroom, a quiet reading nook, or a creative studio, letting you shape it to your needs. With two stories and a single bath, the Timber Palace is well-suited for those who value open interiors and the character of handcrafted timber. Whether as a year-round residence, a mountain retreat, or a gathering place for family holidays, this home brings together craftsmanship and timeless log style, ready to be tailored to your vision.
