ABOUT THIS PLAN

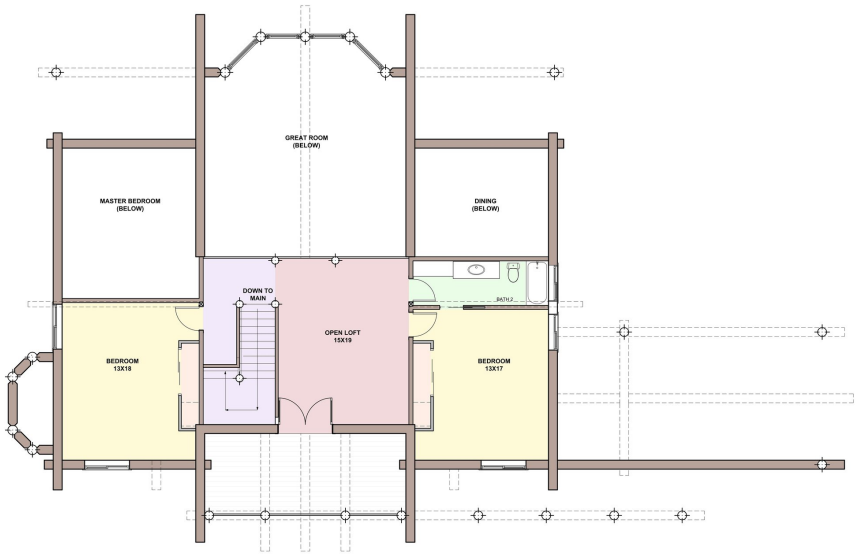

The Cressman by Sierra Log & Timber is a stately 4,831 sq ft log home with a warm, inviting spirit and room to grow. Ideal for families who want space to gather and spread out, it features a generous main level with 2,316 sq ft for daily living, including a welcoming great room, a kitchen ready for big meals, and a primary bedroom suite for restful nights. Two additional bedrooms and three and a half baths make hosting guests or accommodating kids easy. The 1,151 sq ft loft offers flexible space for a home office, studio, or extra sleeping area, while the 1,364 sq ft basement opens up possibilities for a rec room, workshop, or future expansion. Whether as a year-round residence, mountain retreat, or multi-generational getaway, the Cressman is crafted for lasting comfort and can be tailored to fit your vision.
