The Nevada by Sierra Log & Timber is a welcoming 2,398 sq ft log home with a grounded, easygoing spirit. Ideal for couples or small families looking for full-time mountain living, it offers a single-story layout with two comfortable bedrooms and a well-sized bathroom. The heart of the home is a spacious great room that flows into a practical kitchen, making it easy to gather for meals or quiet evenings by the fire. Downstairs, the 1,199 sq ft basement opens up possibilities for a workshop, extra storage, or future living space as your needs grow. The attached garage adds convenience for year-round living. Whether as a peaceful retreat, a downsized forever home, or a base for outdoor adventures, the Nevada is crafted for those who value warmth, simplicity, and the enduring character of real wood. Custom options are always welcome to make it truly yours.
