ABOUT THIS PLAN

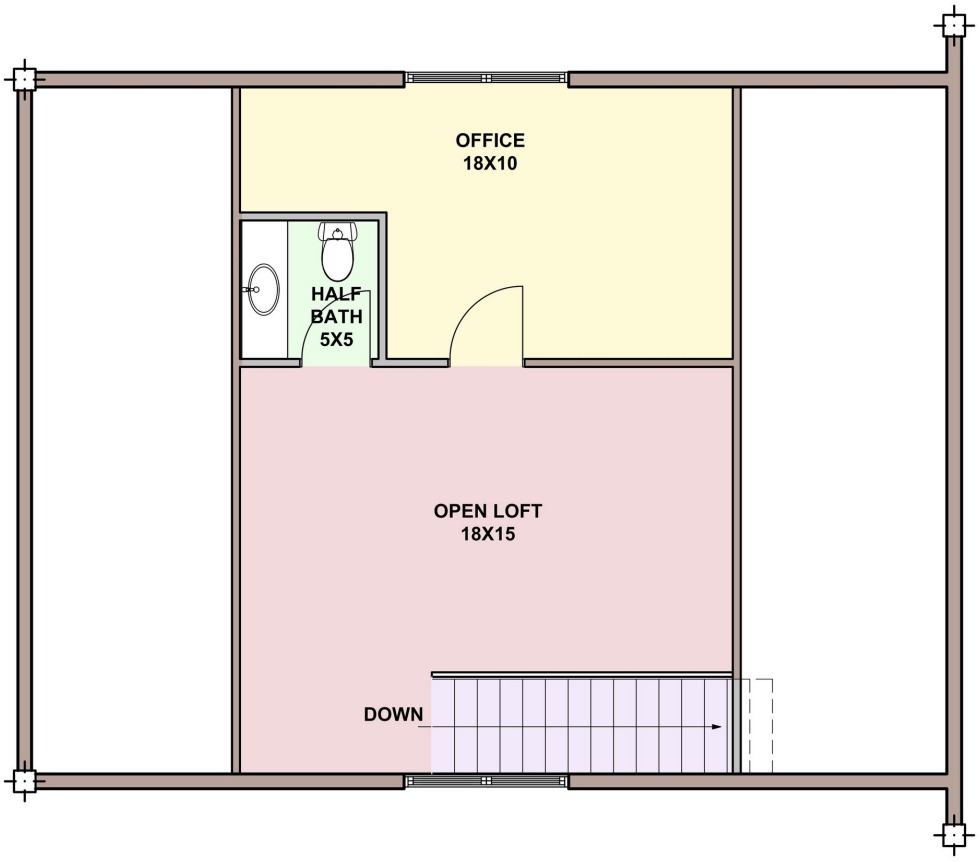

The Coventry by Sierra Log & Timber is a welcoming 2,270 sq ft log home that brings together warmth and open space for comfortable living. Ideal for growing families or anyone dreaming of single-level ease, it features three bedrooms and two and a half baths, all thoughtfully arranged on one story. The heart of the home is a generous great room, perfect for gathering around the fire or sharing meals from the adjoining kitchen. The primary bedroom offers a quiet retreat, while two additional bedrooms provide space for kids, guests, or a home office. With an attached garage for convenience, the Coventry suits those looking for a full-time residence, a mountain retreat, or a spacious getaway for hosting friends and family. Built with care and ready for your personal touch, this home is a timeless canvas for your next chapter.
