The Hideaway by Sierra Log & Timber is a warm and inviting 1,330 sq ft log cabin that feels like a true retreat from the everyday. Ideal for couples or small families dreaming of a cozy getaway, it features an open main level with 836 sq ft for gathering, cooking, and relaxing. The great room flows into a practical kitchen, while the primary bedroom and a full bath offer comfort and privacy on the main floor. Upstairs, a 494 sq ft loft provides flexible space for a second bedroom, home office, or a quiet reading nook, along with another full bath for convenience. Whether as a weekend escape, a year-round home, or a place to welcome friends, the Hideaway brings together classic log craftsmanship and adaptable living. Custom options are available to make it truly yours.
