ABOUT THIS PLAN

The Frazier by Sierra Log & Timber is a warm and inviting 2,438 sq ft log home that welcomes you with classic lines and thoughtful spaces. Ideal for growing families or those wanting room for guests, it features three bedrooms and two and a half baths spread across two stories. The main level's 1,878 sq ft offers a generous great room for gathering around the fire, a practical kitchen ready for everyday meals or holiday feasts, and a comfortable primary bedroom suite for restful nights. Upstairs, a 560 sq ft loft gives you flexible space for a home office, playroom, or quiet reading nook. With an attached garage for convenience, the Frazier is well-suited for full-time mountain living, a spacious retreat, or a family getaway. Built with care and ready for your personal touch, this home brings timeless log style to everyday life.
