ABOUT THIS PLAN

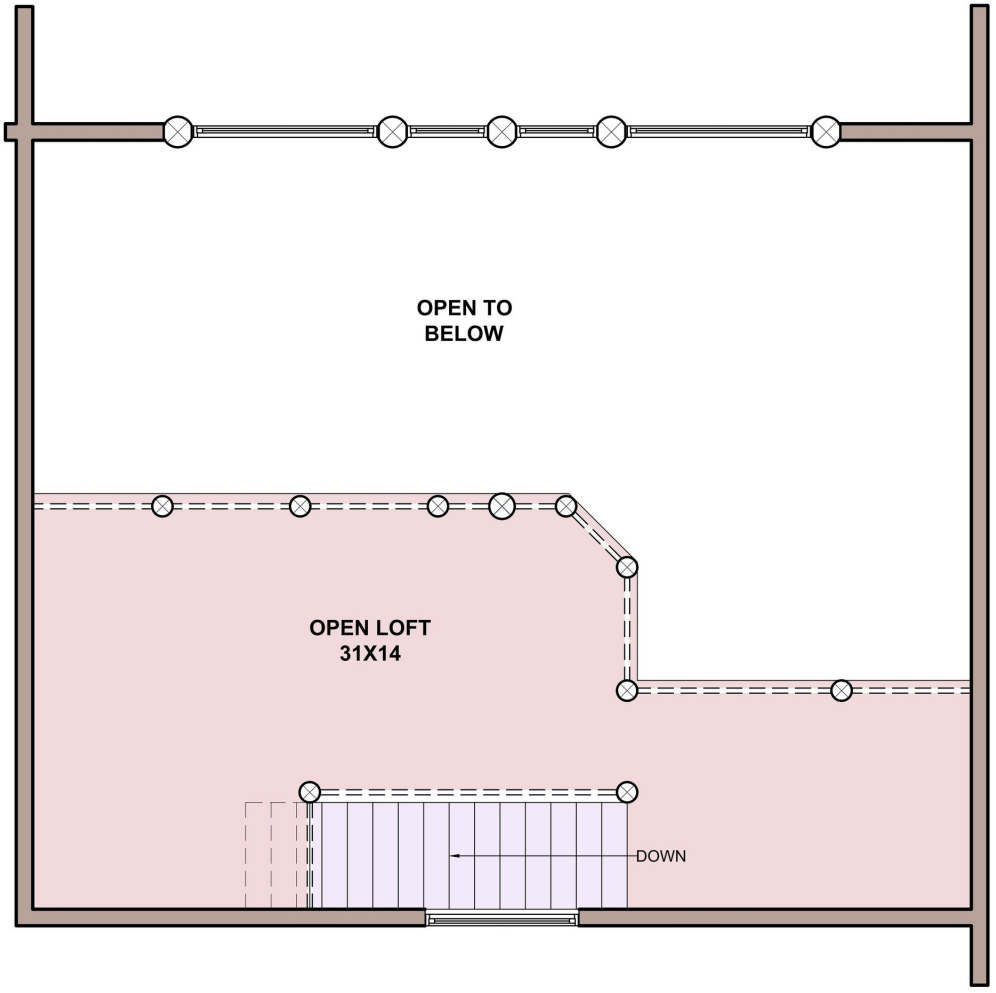

The Tri-Level by Sierra Log & Timber is a versatile 2,778 sq ft log home that brings together warmth, space, and classic craftsmanship. Ideal for growing families or those wanting room to spread out, it features a welcoming main level with 1,264 sq ft for gathering, cooking, and relaxing. The great room flows into a practical kitchen, while the primary bedroom offers privacy and comfort. Two additional bedrooms provide space for kids or guests. Upstairs, a 370 sq ft loft invites you to create a quiet office, reading nook, or play area. Downstairs, the 1,144 sq ft basement opens up possibilities for a workshop, rec room, or future expansion as your needs change. Whether as a year-round residence, mountain retreat, or multi-generational getaway, the Tri-Level is ready to be tailored to your vision, blending timeless log home character with everyday livability.
