ABOUT THIS PLAN

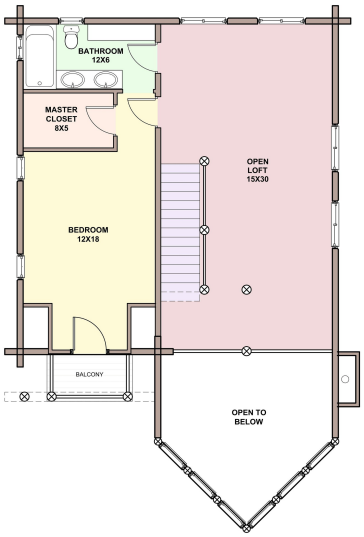

The Knox by Sierra Log & Timber is a warm and inviting 1,790 sq ft log home that feels both spacious and grounded, with a classic two-story profile. Ideal for growing families or anyone dreaming of a full-time mountain retreat, it offers three bedrooms and two bathrooms, all thoughtfully arranged for comfort and privacy. The main level's 1,085 sq ft centers around a welcoming great room and a practical kitchen, making it easy to gather for meals or quiet evenings by the fire. Upstairs, a 705 sq ft loft opens up possibilities for a home office, creative studio, or extra sleeping space for guests. Whether as a year-round residence, a family getaway, or a place to host friends, the Knox brings together craftsmanship and flexibility. Custom options are always available to make it truly yours.
