ABOUT THIS PLAN

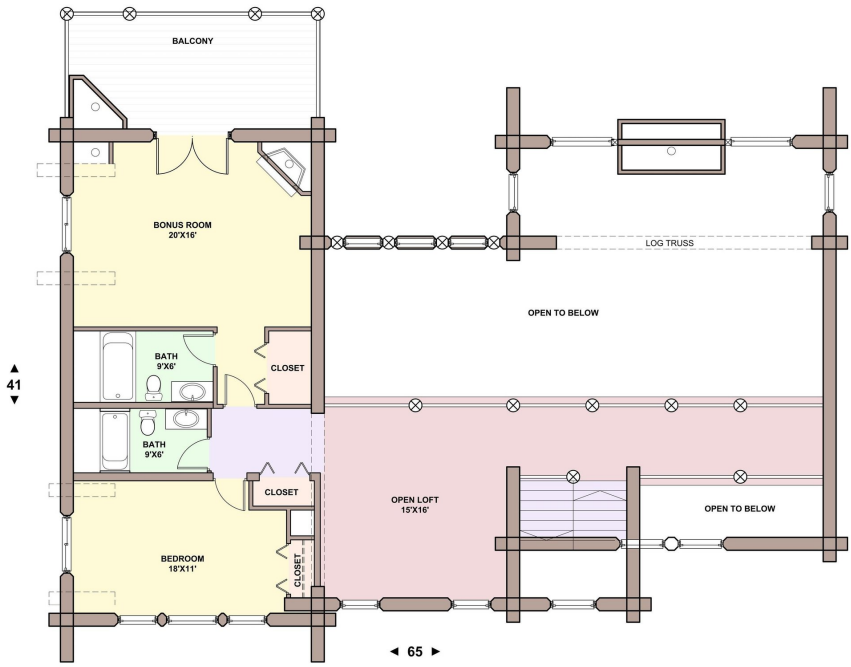

The Big Bear by Sierra Log & Timber is a grand 4,782 sq ft log home with a warm, inviting spirit and room to breathe. Ideal for couples who love to entertain or anyone dreaming of full-time mountain living with space to spare, this home centers around a generous great room that draws in natural light and conversation. The kitchen is designed for gathering, with plenty of room for shared meals and late-night stories. Two spacious bedrooms offer privacy and comfort, each with its own bath, while the 1,239 sq ft loft opens up possibilities for a second bedroom, a quiet reading nook, or a creative studio. With three and a half bathrooms and an attached garage, daily life feels easy and uncluttered. Whether as a family retreat, a year-round residence, or a place to host friends, the Big Bear is crafted for those who value timeless style and the freedom to make it their own.
