The Sparky by Sierra Log & Timber is a welcoming 3,509 sq ft log home that brings together warmth, space, and classic craftsmanship. Ideal for growing families or those who love to host, it offers four bedrooms and three and a half baths across two stories. The main level's 1,535 sq ft centers around a generous great room and a kitchen ready for big meals and quiet mornings alike, while the primary bedroom provides a peaceful retreat. Upstairs, the 1,155 sq ft loft is flexible enough for a home office, creative studio, or extra sleeping space. The 819 sq ft basement opens up possibilities for a game room, workshop, or future expansion as your needs change. Whether as a year-round residence, mountain retreat, or multi-generational getaway, the Sparky is built for lasting memories and can be tailored to fit your vision.
