ABOUT THIS PLAN

The Sandy River by Sierra Log & Timber is a warm and inviting 1,941 sq ft log home that feels both spacious and grounded, with a layout that encourages gathering and quiet moments alike. Ideal for growing families or anyone dreaming of full-time mountain living, this single-story plan features a generous great room at its heart, where the kitchen, dining, and living spaces flow together under a timbered ceiling. Three comfortable bedrooms offer privacy and rest, with the primary suite set apart for a bit of retreat. Two full bathrooms make daily routines easy, and the open floor plan keeps everyone connected, whether you are sharing meals or unwinding after a long day. Whether as a year-round residence, a family retreat, or a peaceful downsizing option, the Sandy River brings classic log home character and the promise of custom touches to make it truly yours.
