The Wissler by Sierra Log & Timber is a welcoming 2,155 sq ft log home that brings together warmth, space, and classic craftsmanship. Ideal for growing families or those who love to host, it offers four comfortable bedrooms and three full bathrooms, all on a single level for easy living. The heart of the home is a generous great room, perfect for gathering around the fire or sharing meals from the open kitchen. The primary bedroom provides a quiet retreat, while three additional bedrooms offer plenty of space for kids, guests, or a home office. With an attached garage for convenience, the Wissler is well-suited for full-time mountain living, a spacious country retreat, or a multi-generational getaway. Built to last and ready for your personal touch, this home is a timeless foundation for years of memories.
