ABOUT THIS PLAN

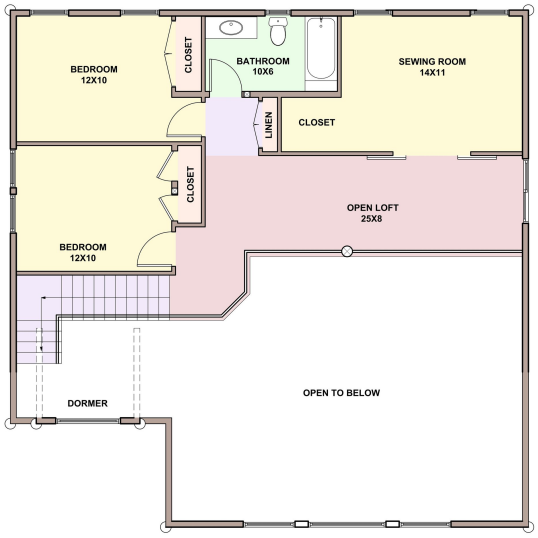

The Barn Palace by Sierra Log & Timber is a welcoming 2,263 sq ft home with a warm, farmhouse-inspired spirit. Ideal for growing families or anyone who loves to host, it offers four bedrooms and two and a half baths across two stories. The main floor's 1,504 sq ft centers around a spacious great room and a practical kitchen, making it easy to gather for meals or unwind by the fire. The primary bedroom sits conveniently on the main level, while three more bedrooms upstairs give everyone their own space. A 759 sq ft loft adds flexibility for a playroom, home office, or creative studio, letting you shape the home to your needs. Whether as a year-round residence, a country retreat, or a place to bring generations together, the Barn Palace is crafted for comfort and ready for your personal touch.
