ABOUT THIS PLAN

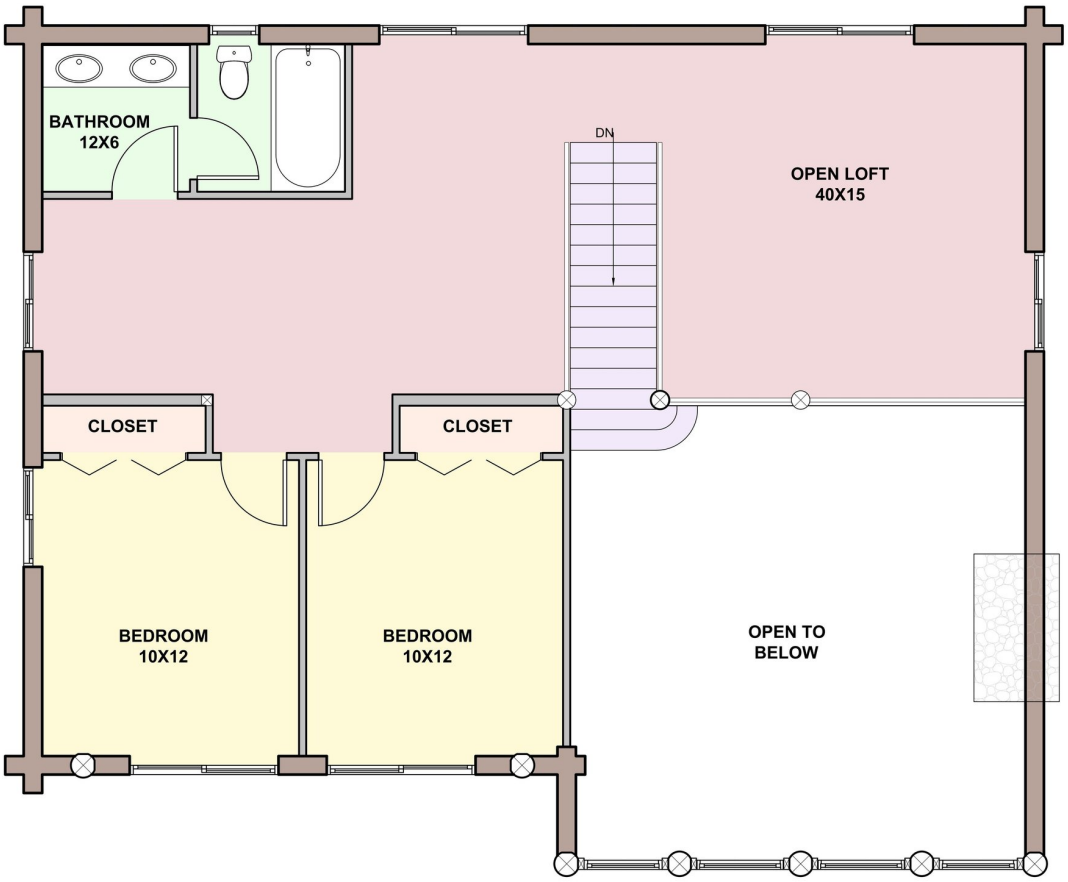

The Madrone by Sierra Log & Timber is a warm and inviting 2,259 sq ft log home that feels both spacious and grounded in tradition. Ideal for growing families or those who love to host, it offers three bedrooms and three bathrooms across two stories. The main level's 1,307 sq ft centers around a generous great room, where tall windows and natural wood set the tone for relaxed gatherings. The kitchen is open and practical, with room for shared meals and everyday living. The primary bedroom sits on the main floor for easy access, while two more bedrooms upstairs offer privacy for kids or guests. The 952 sq ft loft is flexible, ready to become a home office, studio, or extra sleeping space as your needs change. Whether as a year-round residence, mountain retreat, or family getaway, the Madrone is crafted for comfort and can be tailored to fit your vision.
