ABOUT THIS PLAN

The Rancher by Sierra Log & Timber is a welcoming 2,154 sq ft log home that brings together classic craftsmanship and easy, single-level living. Ideal for couples or retirees who want room to spread out, this plan features two comfortable bedrooms and two full baths, all thoughtfully arranged on one story for convenience. The heart of the home is a spacious great room, perfect for gathering around the fire or sharing meals from the open kitchen. The primary bedroom offers a quiet retreat, while the second bedroom is just right for guests or a home office. With an attached garage for added practicality, the Rancher suits those looking for a full-time residence, a peaceful country retreat, or a place to welcome family and friends. Like all Sierra Log & Timber plans, it can be tailored to fit your vision for timeless log home living.
