The Desert View by Sierra Log & Timber is a sun-warmed 1,826 sq ft log home that brings open skies and comfort together in one thoughtful design. Ideal for growing families or anyone wanting single-level living with room to spare, this plan features three bedrooms and two and a half baths, all on one story for easy flow. The heart of the home is a generous great room, perfect for gathering around the fire or sharing meals from the nearby kitchen, which is laid out for both daily routines and special occasions. The primary bedroom offers a quiet retreat, while two additional bedrooms provide space for kids, guests, or a home office. With an attached garage for convenience, the Desert View suits full-time living, a spacious vacation retreat, or a forever home for those who love the warmth of wood and the simplicity of a classic log home. Custom options are always welcome to make it truly yours.
