ABOUT THIS PLAN

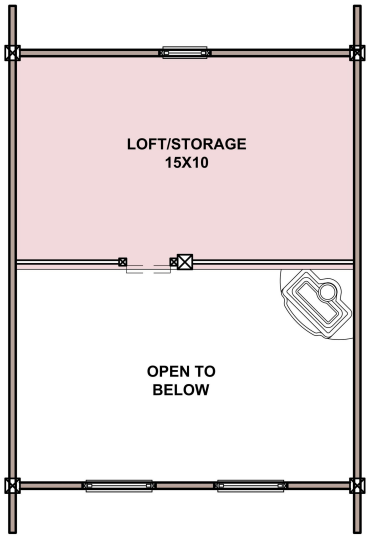

The Trapper by Sierra Log & Timber is a cozy 480 sq ft log cabin that captures the spirit of simple living in the woods. Ideal for solo adventurers or couples seeking a quiet retreat, this compact design features a 320 sq ft main floor with a welcoming living area, a practical kitchen, and a full bathroom. The main bedroom offers a restful spot to end the day, while the 160 sq ft loft above is ready for your imagination—use it as a guest nook, a reading hideaway, or a creative studio. Whether you dream of a weekend getaway, a hunting cabin, or a minimalist full-time home, the Trapper brings warmth and character in a small footprint. Custom options let you shape it to your own vision of rustic comfort. Read our story on the TRAPPER so you know its history.
