ABOUT THIS PLAN

The Sandstone by Sierra Log & Timber is a welcoming 2,412 sq ft log home with a warm, grounded spirit and room for everyone to gather. Ideal for growing families or those who love to host, it offers four true bedrooms and three full baths, all on a single level for easy living. The heart of the home is a spacious great room, where timber beams and natural light set the stage for quiet evenings or lively celebrations. The kitchen is open and practical, ready for big breakfasts or holiday feasts, while the primary bedroom provides a peaceful retreat at day's end. Three additional bedrooms mean space for kids, guests, or a home office. With an attached garage for convenience, the Sandstone is well-suited for full-time mountain living, a country retreat, or a multi-generational getaway. Customizable details let you make it your own, ensuring timeless comfort for years to come.
