ABOUT THIS PLAN

The Aspen by Sierra Log & Timber is a warm and inviting 1,273 sq ft log cabin that feels just right for couples or small families dreaming of a simpler pace. With a single story layout, the Aspen keeps everything within easy reach. Step inside to a welcoming great room where you can gather around the fire or share meals from the open kitchen. Two comfortable bedrooms and two full baths offer privacy and ease, whether you are hosting friends or settling in for the night. The straightforward design means less fuss and more time to enjoy the quiet moments, whether you are tucked away in the woods or perched by a lake. Whether as a year-round home, a weekend retreat, or a downsized haven for retirement, the Aspen brings handcrafted comfort and the enduring character of real log construction. Custom options are always possible to make it truly yours.
