The Yellowstone by Sierra Log & Timber is a welcoming 2,300 sq ft log home that brings together classic craftsmanship and room to grow. Ideal for families or anyone dreaming of full-time mountain living, it offers three comfortable bedrooms and two full baths all on one level, making daily life easy and accessible. The heart of the home is a spacious great room, perfect for gathering around the fire or sharing meals from the open kitchen. Downstairs, the 1,150 sq ft basement opens up possibilities for a workshop, rec room, or extra storage, ready to adapt as your needs change. Whether as a year-round residence, a retreat for extended family, or a base for outdoor adventures, the Yellowstone is built for lasting memories. Custom details and thoughtful design ensure it feels like home from the moment you walk in.
