ABOUT THIS PLAN

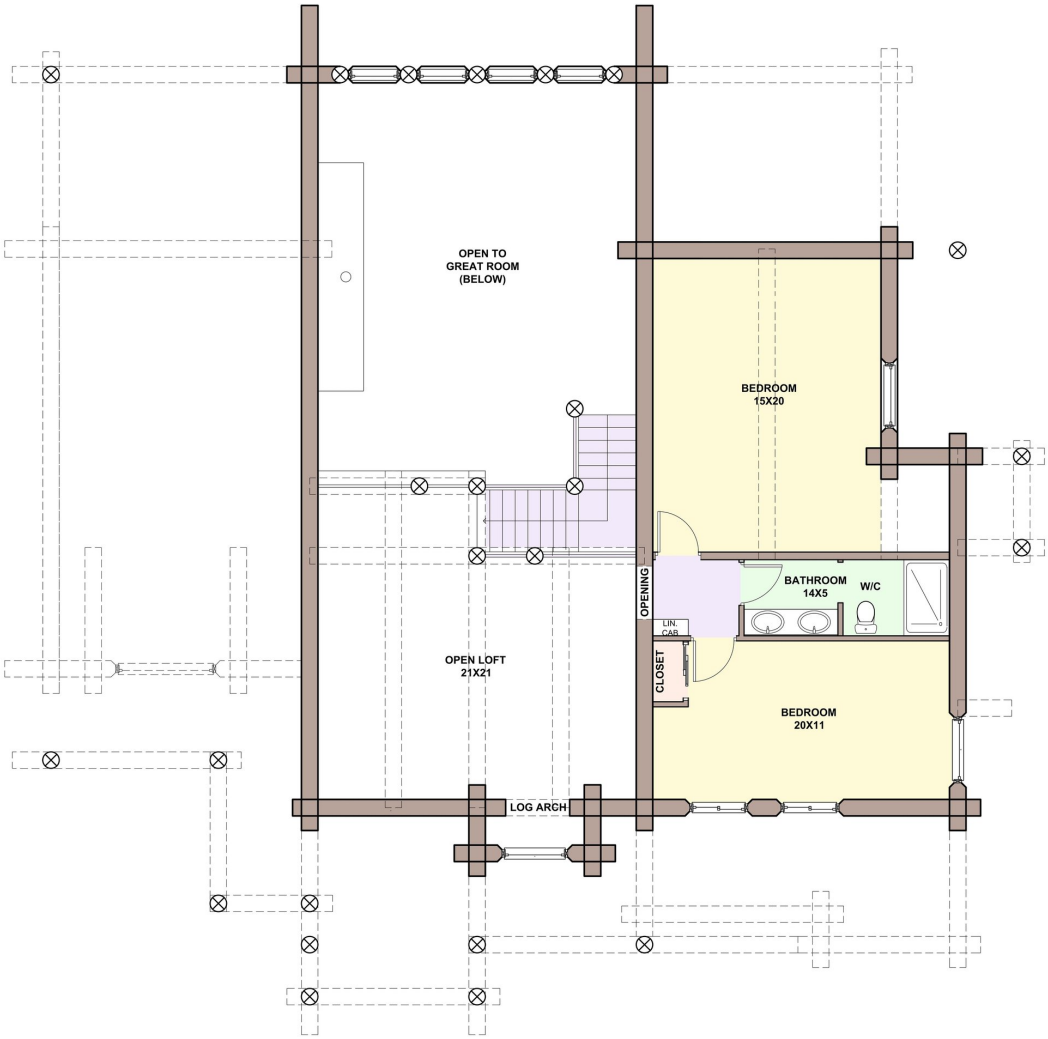

The Lodge by Sierra Log & Timber is a generous 3,803 sq ft log home with a warm, welcoming spirit and room for everyone to gather. Ideal for growing families or those who love to host, it offers four bedrooms and three and a half baths spread across two stories. The main level's 2,139 sq ft centers around a spacious great room and a kitchen ready for big meals and late-night stories. Upstairs, the 1,068 sq ft loft gives you flexible space for a home office, studio, or extra sleeping area. Downstairs, the 596 sq ft basement opens up possibilities for a game room, workshop, or future expansion. Whether as a year-round family retreat, a mountain base for adventure, or a place to welcome friends, the Lodge is crafted for lasting memories and can be tailored to fit your vision.
