| Garage        | Yes           |
| Basement      | No            |

The Southland by Sierra Log & Timber is a warm and inviting 2,032 sq ft log home that brings classic craftsmanship to everyday living. Ideal for couples or small families looking for full-time comfort, this single-story plan offers two spacious bedrooms and two full baths, all thoughtfully arranged for easy flow and privacy. The heart of the home is a generous great room, perfect for gathering around the fire or sharing meals from the open kitchen. Each bedroom is sized for real furniture and restful nights, while the attached garage adds convenience for mountain weather or weekend projects. Whether as a year-round residence, a peaceful retirement retreat, or a getaway for making memories with loved ones, the Southland is a timeless canvas ready to be tailored to your vision.
