## ABOUT THIS PLAN

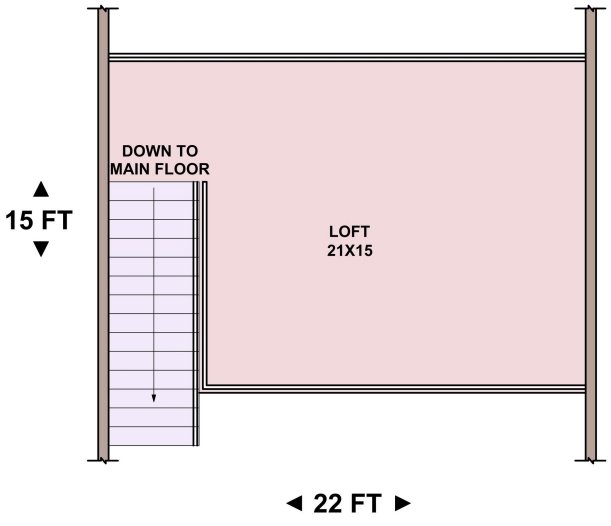

The Almanor by Sierra Log & Timber is a welcoming 2,709 sq ft log home with a relaxed spirit and room to breathe. Ideal for couples or small families who want space to spread out, it features a generous main floor with 2,430 sq ft, including a bright great room for gathering, a practical kitchen ready for everyday meals or weekend feasts, and two comfortable bedrooms for restful nights. Three full bathrooms add convenience for guests or busy mornings. Upstairs, a 279 sq ft loft offers flexible space for a home office, reading nook, or creative studio. The attached garage keeps vehicles and gear protected through every season. Whether as a year-round residence, a mountain retreat, or a place to welcome friends and family, the Almanor is crafted for lasting comfort and can be tailored to fit your vision.
