## ABOUT THIS PLAN

The Silver Sky by Sierra Log & Timber is a welcoming 1,104 sq ft log cabin that captures the spirit of simple, handcrafted living. Ideal for small families or those seeking a peaceful retreat, this single-story plan offers three comfortable bedrooms and two full bathrooms, making it easy to host guests or settle in for year-round living. The heart of the home is a warm, open great room that flows into a practical kitchen, inviting everyone to gather for meals or quiet evenings by the fire. Each bedroom is thoughtfully placed for privacy, while the main living spaces are designed to bring people together. Whether as a cozy mountain getaway, a lakeside family cabin, or a downsized forever home, the Silver Sky is a canvas for your dreams, ready to be tailored to your style and needs.
