ABOUT THIS PLAN

The Bearbones Ranch by Sierra Log & Timber is a straightforward 1,092 sq ft log cabin with a spirit of simplicity and warmth. Ideal for singles or couples looking to downsize or start fresh, this single-story plan keeps everything within easy reach. The heart of the cabin is a welcoming great room that flows into a practical kitchen, making it easy to cook, relax, and gather in one open space. The primary bedroom offers privacy and comfort, while a full bath and an extra half bath add convenience for daily living or when guests stop by. Whether you see it as a year-round retreat, a cozy starter home, or a quiet place to retire, the Bearbones Ranch keeps life uncomplicated and true to the log cabin tradition. Custom options are available to help you make it your own.
