ABOUT THIS PLAN

The Wrangler by Sierra Log & Timber is a welcoming 1,350 sq ft log home with a straightforward spirit and room for real living. Ideal for growing families or anyone wanting single-level comfort, it offers three true bedrooms and two full baths, all on one easy-to-navigate floor. The heart of the home is a generous great room that flows into a practical kitchen, making it easy to gather for meals or quiet evenings by the fire. Each bedroom is sized for restful nights, with the primary suite set apart for a bit of privacy. With no stairs to climb, the Wrangler keeps life simple and accessible. Whether as a year-round residence, a mountain retreat, or a place to welcome friends and family, this plan brings together classic log style and the warmth of handcrafted living. Custom options are always possible to make it truly yours.
