ABOUT THIS PLAN

The Oak Ridge by Sierra Log & Timber is a warm and inviting 2,632 sq ft log home that feels both spacious and grounded in tradition. Ideal for growing families or those wanting room to host, it features a generous main level with 980 sq ft for gathering in the great room, sharing meals in the kitchen, and unwinding in the primary bedroom. Two additional bedrooms offer privacy for kids or guests, while the 672 sq ft loft above is ready for a home office, creative studio, or extra sleeping space. Downstairs, the 980 sq ft basement opens up possibilities for a rec room, workshop, or future expansion as your needs change. Whether as a year-round residence, mountain retreat, or multi-generational getaway, Oak Ridge brings together classic log craftsmanship and flexible living. Custom options are always welcome to make it truly yours.
