## ABOUT THIS PLAN

The Longhorn by Sierra Log & Timber is a grand 4,706 sq ft log home with a warm, inviting spirit and room for everyone to gather. Ideal for growing families or those who love to host, this single-story design features four bedrooms and four and a half bathrooms, giving each family member or guest their own comfortable retreat. The heart of the home is a spacious great room, perfect for evenings by the fire or lively celebrations, while the kitchen is ready for big meals and everyday moments alike. The primary suite offers privacy and comfort, and three additional bedrooms ensure there is space for kids, guests, or even a home office. Whether as a full-time residence, a mountain retreat, or a place to bring generations together, the Longhorn is crafted for lasting memories and can be tailored to fit your vision.
