ABOUT THIS PLAN

The Rattlesnake Ridge by Sierra Log & Timber is a warm and inviting 2,049 sq ft log home that feels both spacious and grounded in tradition. Ideal for growing families or those wanting room for guests, it offers three bedrooms and two and a half baths across two stories. The main level's 1,412 sq ft layout centers around a generous great room, where tall windows and timber beams set the tone for relaxed gatherings. The kitchen is open and practical, with space for shared meals and everyday living. The primary bedroom sits quietly on the main floor, while two more bedrooms upstairs give everyone their own retreat. A 637 sq ft loft adds flexible space for a home office, studio, or cozy reading nook. Whether as a year-round residence, mountain getaway, or family retreat, Rattlesnake Ridge is crafted for comfort and can be tailored to fit your vision.
