ABOUT THIS PLAN

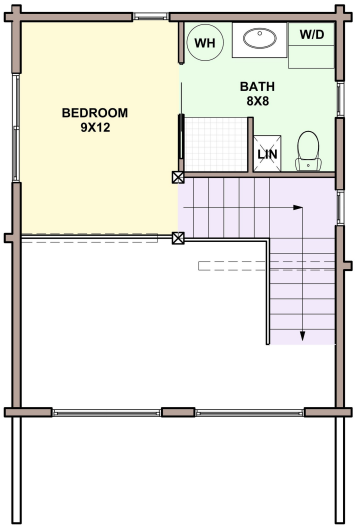

The Rainbow 1 by Sierra Log & Timber is a cozy 612 sq ft log cabin that captures the spirit of simple living and handcrafted warmth. Ideal for solo adventurers or couples dreaming of a quiet retreat, this two-story design makes the most of every inch. The main floor's 396 sq ft offers a welcoming living area and a practical kitchen, with a full bathroom and a private bedroom tucked away for restful nights. Upstairs, the 216 sq ft loft is a flexible space, ready to become a guest nook, reading corner, or creative studio. With an included garage for added convenience, the Rainbow 1 is well-suited as a weekend getaway, a hunting cabin, or a minimalist full-time home. Built with care and ready for your personal touch, it's a timeless base for your next chapter.
