ABOUT THIS PLAN

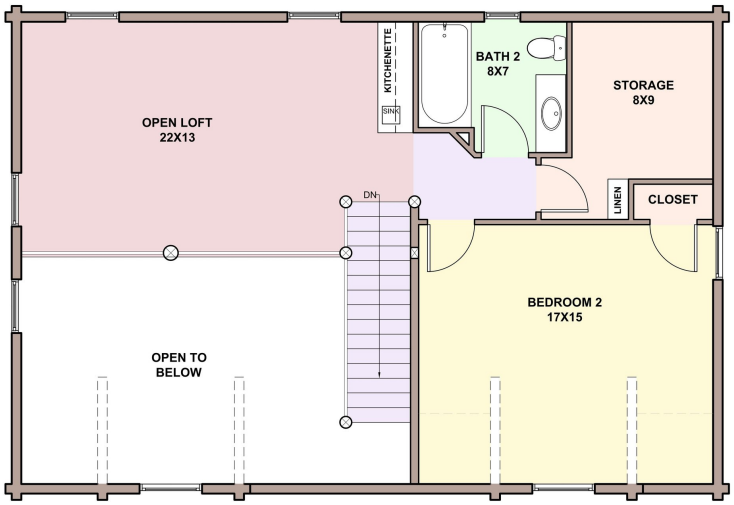

The Penn View by Sierra Log & Timber is a warm and inviting 1,856 sq ft log home that feels both spacious and grounded in tradition. Ideal for couples or small families dreaming of full-time mountain living, it offers a generous main floor with 1,080 sq ft for gathering, cooking, and unwinding. The heart of the home is a welcoming great room that flows into a practical kitchen, while the primary bedroom and a full bath provide comfort and privacy on the main level. Upstairs, a 776 sq ft loft opens up possibilities for a second bedroom, a quiet reading nook, or a creative studio, along with an additional bath for convenience. Whether as a year-round residence, a peaceful retreat, or a family getaway, the Penn View is crafted for those who value timeless log home character and the freedom to make it their own.
